

DRB & Pre-Development Standard Messages

GIS

1. **Road Name Sign:** Fees are due before Final approval.
Harnett County installs and maintains road name signs within the county jurisdiction.

If you choose to use custom road name signs, you are still required to pay the road sign fee for future maintenance issues.

You shall submit a signed Road Name Sign Statement of Intent form stating your intentions to use county road name signs or custom road name signs to GIS at gis@harnett.org.

2. **DWG File:** Submit a dwg file of the Recorded Final plat to GIS at gis@harnett.org. The following data is required lot lines, lot numbers, right of ways, and easements.

Note: Mapping and Addressing of the recorded plat will begin the next business day after the recorded date and the dwg file is received. Corner lots and large lots will not be addressed until a site/plot plan is submitted to GIS at gis@harnett.org.

Warning: Contact the Post Office for mail Kiosk/ClusterBox approval.

If you have any questions email GIS at gis@harnett.org
